EDUCATION CLEANING

How confident are you in the cleanliness, safeguarding and continuity of your education cleaning service?

Professionally managed education cleaning designed around students, staff, visitors and the rhythms of the teaching day — with **safeguarding-aware teams**, clear quality controls and dependable local support.

Our procedures align with the government's safeguarding guidance for contractors in education settings — and, as a full-facilities provider, we manage every other building need alongside the cleaning.

DESIGNED AROUND EDUCATION

How confident are you that your cleaning is planned around the teaching day and safeguarding?

Education cleaning needs careful planning, appropriate vetting, safe working arrangements and dependable delivery across term time, holidays, events and periods of absence.

- ✓ Site-specific cleaning schedule
- ✓ Defined daily, weekly and periodic tasks
- ✓ High-touchpoint and washroom focus
- ✓ Term-time and holiday planning
- ✓ Appropriate DBS checks where required
- ✓ Safeguarding-aware induction and conduct
- ✓ Secure access, keyholding and lone working
- ✓ Planned sickness and holiday cover

A SIMPLE AND SUPPORTED TRANSITION

Mobilised carefully. Managed visibly.

01
Discover
Priorities, safeguarding, access and current service risks.

02
Plan
Staffing, schedules, equipment, documentation and cover.

03
Prepare
Vetting, induction, training and site familiarisation.

04
Launch
Visible management, early inspections and rapid action.

05
Improve
Performance, feedback and actions reviewed regularly.

Every new education contract also benefits from a complimentary initial deep clean of the agreed internal areas, subject to the final scope and mobilisation plan.

MEASURABLE QUALITY AND EVIDENCE

- ✓ Routine site inspections
- ✓ Agreed actions and owners
- ✓ Attendance verification (Ezi-Tracker)
- ✓ Clear escalation and closure
- ✓ Documented quality audits
- ✓ One-to-one service reviews
- ✓ Safeguarding and vetting records maintained
- ✓ Term-time and holiday planning documented

The outcome: a consistently clean, safe and welcoming environment that supports students, reassures staff and visitors, and helps the on-site team focus on education rather than cleaning problems.

FULL FACILITIES PROVIDER

One accountable provider for every building need

Green Machine is a non-stop, full-facilities service provider. Beyond education cleaning we manage the wider estate — washrooms, waste, grounds, pest control, consumables and maintenance — so your team holds one contract, one point of contact and one set of standards rather than juggling half a dozen suppliers.

- ✓ Single point of accountability
- ✓ Consolidated reporting and invoicing
- ✓ Out-of-hours and reactive response
- ✓ Consistent standards across every service

TIME AND ATTENDANCE

Contracted hours, verified — not assumed.

Our Ezi-Tracker lone-worker system records attendance, confirms the agreed contracted hours are delivered on site, and supports the safety of staff working alone outside opening hours.

New education customers also receive a free initial deep clean of all agreed internal areas.

Subject to the agreed contract and mobilisation plan.

TRUSTED BY THE ORGANISATIONS WE SERVE

Recommended by the people we work with

"The Green Machine have provided contract cleaning services and small works to us since March 2013 and have more recently taken on Grounds Maintenance at our premises. We have been impressed by the professional approach of all staff at Green Machine and are very pleased with the quality of services provided. All employees are helpful and polite and complete all work efficiently to a very high standard, which is noted by both our staff and visitors."

A FIVE-MINUTE EDUCATION CLEANING CHECK

Can your setting answer yes to all eight?

Run through this with your current provider. Any box you cannot confidently tick is a useful place to start.

- [ ] The cleaning schedule reflects current room use and opening hours.
- [ ] Vetting, induction and safeguarding records are current.
- [ ] Audits are documented and corrective actions are closed.
- [ ] Access, keyholding and lone-working controls are agreed.
- [ ] Daily, weekly and periodic tasks are clearly defined.
- [ ] High-touchpoint cleaning is specified and evidenced.
- [ ] Holiday and sickness cover is planned, not improvised.
- [ ] You have a named local manager and clear escalation route.

WHERE WE WORK

Clean, safe and welcoming places to learn

Primary schools

Classrooms, halls, corridors and welfare areas.

Secondary & colleges

Teaching, sports, dining and communal areas.

Academies & MATs

Consistent standards across multiple sites.

Nurseries & early years

Higher-touch hygiene for young children.

HOW THE REVIEW WORKS

STEP 01

We walk your site with you

A visit at a time that suits you, covering each area and its priorities.

STEP 02

We review your arrangements

Current specification, frequencies, audit records and documentation.

STEP 03

You receive a written summary

Findings, priorities and a costed proposal — yours to keep.

NEXT STEP

Request an Education Cleaning Review

Let us review your current cleaning provision and identify where standards, safeguarding and value could be improved. No obligation, no cost.
